

Outdoor Activity Sheet. Spring 2020.
Science. KS1. Activity 6.

Spend 5 minutes sitting quietly.

What animals can you see or hear?

List them below:

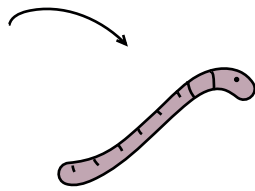

-
-
-
-
-

Can you put them into a food chain which might exist within this green space?

Here is an example:

Plant

Worm

Mouse

Owl

A food chain shows the transfer of energy from species to another.
